Dear Friend:

I want to invite you to participate in a Job Fair I will be sponsoring on Thursday, August 21, 2014, at the Cowan Civic Center in Lebanon, Missouri, from 10:00 a.m. to 2:00 p.m. Please join me and other employers at this event to showcase your business to potential employees. There is no cost for you to participate. Throughout the day I will be meeting in small groups with participating employers to hear your thoughts about the job market and ideas on how to grow the economy.

The recent economic downturn has affected all of us in some way, and many of us know a friend or family member who has lost a job. The purpose of this event is to connect job seekers with businesses that are hiring or plan to hire in the near future. It is anticipated that the experience and education levels of attendees will be diverse. I hope to provide a one-stop employment shopping experience for employers and potential employees alike.

Tables and chairs will be provided but table space is limited so please contact us as quickly as possible. You are encouraged to set up a booth to interact with potential job applicants and speak to them on specifics regarding your business and opportunities for employment. Please complete the registration form provided and forward it to my office so that we can prepare adequate space for all attendees.
