All of us have been affected in some way by the economic downturn, and many of us know a friend or family member who has lost a job. The purpose of this event is to connect job seekers with businesses that are hiring or plan to hire in the near future. It is anticipated that the experience and education levels of attendees will be diverse. We hope to provide a one-stop employment shopping experience for employers and potential employees alike.

At 11:00 am and 1:00 pm Career Employment Services representatives from Ozarks Technical Community College will present a short program, “Guide to Getting the Job” on resume writing and interviewing. Participants will be provided a manual to assist them in how to prepare a resume unique to their skills and qualifications.
