

U.S. Congresswoman

*Vicky Hartzler* presents:

# ISIL: THE THREAT OF OUR TIME

You're invited to join the Congresswoman as she discusses her recent 10-day trip to Israel, Jordan, Egypt, and Morocco to learn more about the threats facing our allies in the Middle East, the steps being taken to combat those threats, and consider strategies to preserve the security of the region and, ultimately, the United States. Join her on September 22 to hear about the insights she has gained.
